

INTRODUCING OUR NEW

15 YEAR WARRANTY

EASY TO REGISTER WARRANTY

Keeps Glass "Like New!"

PROTECTED

The image shows a smooth, dark blue surface with a single water droplet that has rolled off, leaving a clean, clear path behind it.

UNPROTECTED

The image shows a glass surface covered in numerous small water droplets, illustrating the lack of protection.

Value Added Benefits of Protection

- ✓ Prevents Permanent Staining and Contaminants
- ✓ Reduces Cleaning Time and Need to Use Squeegee
- ✓ Scratch & Corrosion Resistant
- ✓ Preserves Glass Like New
- ✓ Eliminates Use of Harsh Cleaning Products

310 MAXV Pro 15 durably seals the pores of the surface to actively repel water, soil & stains for easy removal.

310 MAX Clean & Restore works great for refreshing your 310 MAX Pro 15 treated glass shower enclosure.

One bottle included with each Pro 15 coated enclosure
