PROFESSIONALLY CLEANS & REPLENISHES GLASS WITH EVERY USE

Every order of glass featuring a 310 MAX or 310 MAX Pro 15 finish includes a complimentary bottle of 310 MAX Clean & Restore for your customer.

When used as directed, 310 MAX Clean & Restore does more than deliver a streak-free shine. It helps restore and reinforce the 310 MAX and 310 MAX Pro 15 coatings, helping maximize the life and performance of the glass.

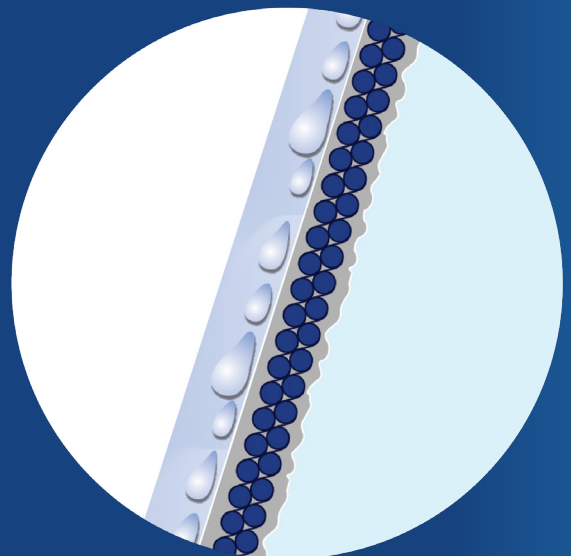

Safe for Multiple Surfaces

- Shower glass and enclosures
- Windows
- Plastics
- Tables
- Windshields
- Counters
- Sinks
- Faucets
- Mirrors
- Stainless steel

Easy Maintenance

For best results, we recommend using 310 MAX Clean & Restore at least once per week. Regular use helps clean, rejuvenate, and maintain the protective coating for long-lasting performance. Simply spray the surface and wipe dry with a clean cloth.
