FOR IMMEDIATE RELEASE

310 Tempering Named a 2026 Louisville Business First Fast 50 Honoree

Louisville, KY — October 22, 2026 — 310 Tempering has been named a 2026 Fast 50 Honoree by *Louisville Business First*, earning the **No. 31 spot among the 50 fastest-growing private companies in Greater Louisville.** The recognition highlights the company's continued growth and commitment to delivering high-quality glass fabrication, innovative products, and exceptional customer service. 310 Tempering has earned a place on Louisville Business First's Fast 50 list every year since 2020.

Since its founding in 2015, 310 Tempering has grown by focusing on the needs of glass industry professionals and continually investing in the people, technology, and capabilities that help customers succeed. The company specializes in precision glass fabrication and tempering for a wide range of applications, including shower enclosures, glass railings, interior partitions, all-glass entrances, and custom glass projects.

"This recognition is a reflection of the hard work and dedication of our entire team, along with the trust our customers place in us every day," said Co-Owner and Founder, Greg Abrams. "We've built our business by staying focused on quality, service, and finding better ways to meet our customers' needs. Being named to the Fast 50 again this year is an exciting milestone, and we're proud of how far we've come while remaining focused on where we're headed."

310 Tempering's growth is driven by its commitment to combining craftsmanship with modern manufacturing technology, expanding product offerings, and maintaining the responsive service customers have come to expect. Through continued investment in equipment, processes, and product innovation, the company strives to provide glass professionals with reliable solutions and competitive turnaround times.

The Fast 50 recognition marks an important milestone for 310 Tempering and the team, customers, and partners who have contributed to its success. As the company looks to the future, it remains focused on building strong relationships, developing new solutions, and supporting the continued success of its customers.

"Thank you to our employees, customers, and partners for being part of this journey," Abrams added. "This achievement belongs to all of you, and we're excited to keep growing together."
